From Dec forward we're on a 4 week-ish rotation. If you're not avail, *kindly* see if the sub team (Adam's for Music) –can take your week or/and let Doreen know (to change online sched)... Techs stay on their week unless they agree to change - see below

Make sure you let Kathy know in the office in case the Pastor wants to give special instructions to the leader that week.

If you'd like **change your practice night** also check with Kathy that the auditorium is avail, as the church rents the space to other businesses etc during the week as well (and your tech team for availability).

Technicians: EW Sun 9am pls. Sub for EW is Alex. Sound sub is Glen, *kindly* see if the sub can take your week (please give as much notice as possible, subject to sub's availability) – and let Doreen know (to change online sched) **Thanks & much appreciated!**
