***"If I speak in tongues of men and of angels,  
but have not love,  
I am only a resounding gong or a clanging cymbal.  
If I have the gift of prophecy

but have not love, I am nothing."

## PT NOTES

*Over the last few weeks we've been learning how to listen to the Holy Spirit & be active in our prayers for one another. When Walter, Kurtis and I were at MBC for the FebCentral Pastors Conference in June, we were given opportunities to pray for one another during our sessions. In our first session I was paired up with a really young guy. He prayed for me & then it was my turn. One thing I felt impressed to pray for him was to seek out an older pastor to mentor & provide guidance for him. Then a short while later our speaker got up to speak. One of the points he made from I Timothy 1 was that young pastors should get a mentor. I smiled at the wisdom of the Lord for this young man.*

*Continuing on with the theme of prayer, I was so impressed with how the prayer time at our Communion Time turned out last Sunday. I think it's so good to see so many of you starting to get the idea of how to bless others through prayer. Some of you shared for the first time - that was great to see. You're blessing another person who is part of the family of God. Wasn't it amazing to see how many times people had the same word or Scripture passage for someone? God is wanting to build up our trust in Him. But it's also building up our ability to listen.*

*Brad Jersoh pastors a church in B.C. When they take time to pray, here is their rule of thumb when it comes to prophesy prayers: "no direction, no correction, no dates, no mates, no births, no deaths. Love & Encouragement & Scripture = Bull's Eye!"*

*I think this last month we've been hitting bull's eyes!*
